

Bruno

TIMBER WOLF FAMILY MAN AND RESTAURATEUR

Hey. Bruno here. I'm an upstanding citizen of the Boreal Forest. Some call me the boss. I run a nice establishment. A little fine dining. A little entertainment. Laura, my wife, she knows classy. You should come check it out. We keep things respectable. Not like that mook, Moose. He was crashing around the other day. I told him to tone it down with all the rutting. If not, he's going to have a problem. And you don't want a problem with me. Me and the family, we like to keep everything in line. We keep order. We run this country...
