“ HANG TEN ”

Winston is going to a baby shower for one of his old gang members when he catches some big wind and starts riding the gusts. His friend catches him and starts to lecture but can’t resist the fun in his acrobatics.

HE'S A RISK TAKER AND LIKES TO HAVE FUN -
MOSTLY BECAUSE HE'S BORED

ONE OF THE MOST INTELLIGENT ANIMALS
IN THE FOREST (BUT HE'S MAYBE TOO SMART)

LEFT HIS FAMILY AS A TEENAGER TO JOIN
A ROWDY GANG. BUT HE'S OVER IT

HE'S A BIG TALKER AND
CAN EVEN IMITATE HUMAN SPEECH

HE'S NOT ABOVE TRYING STIMULANTS
